Step Into Productivity

Reach your productivity goals with OneZone. The built-in standing height table provides space for solo work, and the integrated power outlets enable you to stay connected for as long as you need. PET acoustic panels keep conversations confidential with a 20 decibel (dB) noise reduction, and the glass door keeps you visually connected to your team. OneZone is designed for comfort while you're busy addressing what matters.

Room for One, Designed for Anyone

Whether you're looking to make a statement or prefer to blend-in, OneZone offers endless design combinations of laminates and acoustic panels to meet your needs. Designed with a small footprint and shipped knocked-down, OneZone can go virtually anywhere in the workplace!

Make It Your Own

Let your true colors show! OneZone features laminate with 2mm edges on the exterior, PET acoustic panels for the interior, and an array of finish options for the interior details.

Laminates

Select from our 15 standard laminates, or choose from any standard Wilsonart, Nevamar, Formica, Arborite or Pionite laminates for no extra charge.

PET Acoustic Panels

Made of 100% PET fiber, 50% of which is recycled, the 12mm thick interior acoustic panels are available in 8 standard colors, and 6 additional colors are available at an extended lead time.

Power Options

Standard with 2P2U Cove power module in three colors: Silver, White, and Black.

Glass Door

OneZone's self-closing door is constructed of 10mm thick clear tempered glass.

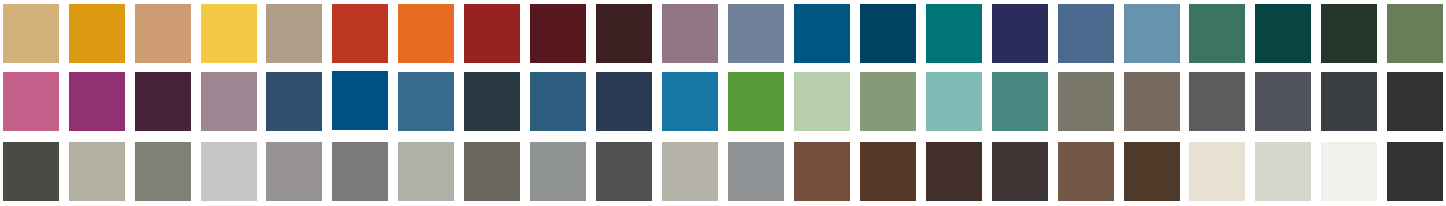

Flooring

Carpet is standard in three colors: Iron, Laurel and Flax.

Metal & Edge Finishes

76 Spectone colors from our line of powder epoxy coatings, including five textured finishes. 38 matching 2mm Bio Edge, and 9 woodgrain 2mm PVC edge finishes are also available.
